Respected Mr. Ashok Kriplani Ji,

With reference to your request for a proposed zoom meeting between home buyers today at 7:00 PM request you not to hold the same.

The captioned matter of "Corrective steps need to be taken against Shortfall in the Judgement of WP 13577/2020 before KHC".

The above topic has already been elaborately discussed with Adv. Mahesh Chowdary for filing Review Petition and the same is being worked on in coordination with Mahesh Chowdary.

Even Adv. Mahesh Chowdary has said that the same has already been discussed and he has denied his consent to attend the meeting.

Request you to kindly note the same as I will update in the dreamzinfra Website the above matter.

Request your goodselves to refrain from interfering in the CIRP Process of Dreamz Infra as there is no locus standi and cooperate and support me and AR along with the Home buyers in handing over all the documents, information, records including Hard Copies.

Thanking You

Regards
